**SHORELINE CREDIT UNION HUMAN RESOURCES MANAGER,
DAMIEN MOHORNE EARNS CREDIT UNION HR COMPLIANCE PROFESSIONALS
(CUHRCPs) CERTIFICATION**

Manitowoc, Wis., August 27, 2018 – Shoreline Credit Union is pleased to announce that Human Resources Manager, Damien Mohorne was one of 66 new Credit Union HR Compliance Professionals (CUHRCPs) who earned their designations at this year's Credit Union National Association (CUNA) HR Compliance Certification School in Denver, Colorado. Damien is the only credit union HR manager in Wisconsin to earn this designation in 2018.

CUNA is the most influential financial services trade association and the only national association that advocates on behalf of all of America's credit unions. CUNA provides professional certifications to help champion the credit union story.

As a first year CUNA student, Damien participated in a pre-requisite training before attending the school. He successfully passed the CUHRCP exam and then attended an intensive instructor-led study session to dive deeper into HR compliance laws and regulations.

“We are very proud of Damien’s commitment to gaining Human Resources compliance expertise,” says Nathan Grossenbach, CEO/CFO of Shoreline Credit Union. “He really has set himself apart from other

credit union HR professionals and we are very proud of his accomplishment earning this important certification.”

Damien served in the U.S. Army as a Human Resource Specialist, has a bachelor’s degree in psychology and is currently working on his Master of Business Administration (MBA), Human Resources Management/Personnel Administration at Lakeland University in Sheboygan, Wisconsin.
